

**Policy: Mandatory Forms Distribution Policy**

**Board of Directors Approval: April 5, 2018**

The Nova Scotia Real Estate Commission's mandatory forms were developed for use by licensees in the facilitation of real estate transactions for buyers and sellers. These forms are made available to licensees for this purpose by the NSAR and the Commission.

Mandatory forms are not made available for public distribution. Licensees posting forms on a public forum, such as a website, is prohibited. Per NSREC Bylaw 712, forms cannot be offered for general distribution to the public.
